**PETITIONING THE COURT**
**To issue a summons.**

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
1	<b><u>Mandatory Condition # 2:</u></b> The defendant shall not commit another Federal, state, or local crime.

**Supporting Evidence:** On October 10, 2016, the undersigned received the Colville Tribal Police Department deputy report regarding incident 16-1286, which stated that on August 19, 2016, at approximately 12:11 a.m., law enforcement responded to a gas station employee report that a customer had left a bag of drugs on the counter. Law enforcement was shown a video by the gas station employee of a male, later identified as the offender, who had come up to the checkout area with two cases of Twisted Tea. No baggie was visible on the counter before the offender placed the Twisted Tea on the counter. While the offender was taking money out of his wallet, a brass key and a baggie fell out. Law enforcement collected the baggie, which contained a white crystal like substance, and NIK tested the substance at the Omak, Washington, substation. The substance returned a presumptive positive result for methamphetamine.

On October 19, 2016, the undersigned contacted the Colville Tribal Prosecutors Office to inquire about the status of the case. The prosecutor's office advised they will be filing a complaint on the matter.
